

2008-09 SWYSC Grade Eligible Player Request Form

I would like my son/daughter to have the opportunity to “play up” (play at a higher age level) with the SWYSC for the 2008/09 season. I have read the grade-eligible policy on the Club website. I understand that my son/daughter must attend tryouts for BOTH age groups (their own and the higher one) to allow the Club’s evaluators the opportunity to see my child play in both environments. After tryouts, the Player Selection Committee, in consultation with both age-group coaches, will make what it considers the best choice for your child. All decisions will be final.
